

## **Pacific Life's Tax Deferral Analyzer Tool Wins 2014 Internet Advertising Competition Award**

NEWPORT BEACH, CA--(Marketwired - May 22, 2014) - Pacific Life Insurance Company was honored at the 2014 IAC (Internet Advertising Competition) Awards for its innovative online tool, the Tax Deferral Analyzer. Created to help financial advisors illustrate the advantages of tax deferral in all three phases of retirement income planning (saving, creating sustainable income, and providing a financial legacy), the tool earned an award in the IAC's Best Investment Integrated Ad Campaign category.

"Financial advisors have already given us a tremendous amount of positive feedback on the Tax Deferral Analyzer. This award acknowledges how outstanding the tool is from the perspective of innovative design, coupled with an impactful user experience," says Christine Tucker, vice president of marketing for Pacific Life's Retirement Solutions Division.

The Tax Deferral Analyzer was developed by BlueRush, a digital solutions company dedicated to effective communication for their clients online, via mobile devices, and through social media. The firm has won numerous awards for its innovative digital creations and works with some of the top brands in the financial services industry.

Larry Lubin, President & CEO of BlueRush, said, "A key objective in our work is to make complex matters easily understood. We believed that the Pacific Life Tax Deferral Analyzer achieved the right balance required for financial advisors to work with clients and bring to light key considerations in their financial planning. The award received is reinforcement from a recognized third party that we are on the right track."

The Tax Deferral Analyzer is available on Pacific Life's website at [www.PacificLife.com](http://www.PacificLife.com). Financial advisors can learn more about the tool by calling a Pacific Life consultative wholesaler at (800) 722-2333.
